Introduction

My name is Diana Noger and I have been attending Harmony since the 1980's. I came to know Christ while I was in college and began attending Harmony when I returned to the area. As a member of Harmony most of my work has been in the children's ministries. I taught Sunday School and then Junior Church for the last 20 years. I have also served on the Missions Committee many years ago and most recently started to assist with the Sunday morning coffee set up. I have seen our church go through many changes and am thankful for the faithful pastors and members throughout the years who have committed time, prayer and energy to helping us grow and change when we have needed to change. As a member of the Deaconess Committee I hope to be part of that change and will work with the team to serve not only the women's ministries but all of the members of Harmony. It is my hope and desire that we truly become a spirit filled church and reach out to meet the needs of our members and the community around us.
